RE: Athletic Eligibility

It is that time of year when I feel it necessary to make sure student athletes and their parents are aware of our Dare County Board of Education Policy 4400-R, which references student attendance.

Athletic Attendance Eligibility for Students in Grades 7 – 12

Student athletes who participate in interscholastic athletic competition are expected to attend school regularly and to maintain quality grades.

Student athletes who miss more than five (5) days for any reason in a semester class or ten (10) days in any year-long class have exceeded the Dare County attendance regulation requirements. These students are subject to suspension from athletic participation until such time as all school work is completed to the principal's satisfaction. Suspension from athletic participation may occur during the season or prior to the upcoming athletic season for failure to complete satisfactory school work due to excessive absences. The principal's decision regarding athletic attendance eligibility is final

If you have any questions or concerns, please feel free to contact me.
